- More than 27 million Canadian vehicles in operation
- 1.7 billion titles and 1.8 billion registrations

Consumer Credit

- 2 million credit inquiries daily
- 1.3 billion transaction updates/month
- 220 million credit active consumers
- 50 million public records

Category	Score Range
Prime	661 – 850
Nonprime	601 – 660
Subprime	300 – 600

A look back at originations

Auto strove to recover: new was down over 1.2 million while used was down over 3.2 million consumer transactions

Nearly all manufacturers were impacted

Year-over-year YTD difference by OEM and make

2020 generated over 771k fewer consumer leases than prior year

Financing on new vehicles remained consistent while used saw an increase in cash

Percentage of vehicles with financing

New leasing took a hit; used saw an increase in leasing

% of all new vehicles that are leased

Used vehicle % of total lease market

Captives were one of the few lenders to increase share

Market share of total financing

COVID shifted the trend of prime consumers moving into used vehicles

Percentage used vehicles by score band

Credit scores continue to climb

Subprime is at a record low

Total (loan & lease/new & used) risk distribution

Loan amounts & payments reach record highs and used payments pass \$400

Average amount financed

Average monthly payment

Rates continue to fall while terms extend. . . it's a good time to buy a car!

Average loan rate

Average loan term

Longer term loans grow in popularity

Distribution by loan term

What has been the impact on portfolios?

Outstanding auto loan balances reach record highs

Total open automotive loan balance

Delinquency rates impacted by CARES Act and remain low

% Loan and Leases 30 and 60 days delinquent

Subprime is representing less of overall delinquency

Percentage of 60 day delinquency

1.7 million accounts worth \$28.9 billion remain in deferral; subprime represents 49% of the loans & 46% of balances

Summary

- COVID-19 reversed many of the trends seen in the past several years as prime consumers shifted back to new vehicles and leasing rates dropped
- Subprime reaches record lows and delinquency remains low with CARES Act impact; delinquency growing outside of subprime
- Loan amounts and payments reach record highs with affordability remaining a concern
